Hosted by:

Humble Area Assistance Ministries
in coordination with the Seasons of Sharing Event

Humble Area Assistance Ministries welcomes any assistance you can give by collecting **NEW toys**.
Listed are a few tips that can make things run more smoothly:

- Collect only new toys. We do not distribute used toys as holiday gifts.
 - We prefer to have toys unwrapped.
- Ideally we need toys in hand **by Thursday, December 11th**. We begin Sort and Sack on December 12th.
 - We try to collect toys for children who range in age from toddlers to teens.
 - In the past we have had the most difficulty in securing items for the older children.
- You can visit our web site at www.haaministries.org for age appropriate toy suggestions but we welcome your creativity.
